### **COSTS**

This is a **SPONSOR** trip - here's how it works:

You raise funds via your network to help with job creation in Kenya.

You pay your flight to Kenya, and in exchange for your help, CBA provides hotel, meals & transport.

# Kenya Sponsor Trip 2025

## **MISSION of CBA / About CBA**

The Christian Business Angels (CBA) helps local entrepreneurs grow businesses in their country by providing financing plus business coaching. By doing so, we seek to create meaningful and sustainable employment, while growing businesses that honor God and set the example for others to follow.

CBA is an ANBI-approved non-profit organization founded by a group of Christian entrepreneurs from The Netherlands in 2012-13. Until now, we have invested in over 40 companies in Kenya, with creation & support of 500+ new jobs. More information online at [www.ChristianBusinessAngels.org](http://www.ChristianBusinessAngels.org).

## **PURPOSE of Trip**

The purpose of the sponsor trip is both to raise money for investment & growth of additional companies in Kenya, and to engage additional expertise from Dutch business people to help uncover the best opportunities for job creation in Kenya.

You may participate in this trip as sponsor or participant. Funds raised will be directed to the best local job creation opportunities as selected by trip participants. Post-investment information will be provided to all on a quarterly basis.

## **Cost & Sponsor Details**

To ensure good use of funds for investment in job creation opportunities, we recommend raising \$5000 from sponsorships. Alternatively, feel free to combine sponsorships + own contribution, with a minimum of \$2000 requested per participant.

Participants arrange their own flight to Nairobi, but local hotel, meals & transportation are paid by CBA, in exchange for your participation and help.
