

BUSINESS ANGEL / CO-INVESTOR APPLICATION

Thank you for your interest in joining the CBA as a Business Angel.

All new Business Angels and co-investors are required to complete this application and submit it for formal acceptance by the CBA. Although it is rare that we would reject such application, we want to ensure that there is a fit between new Business Angels and our mission and existing team. Therefore we kindly request all prospective Business Angels and co-investors to complete this form as part of the onboarding process.

Following review and acceptance of your application, we look forward to welcoming you on board. In case of any questions on this form, please contact us at info@ChristianBusinessAngels.org.

With kind regards,

Roland Heersink

Chairman, Christian Business Angels
