Interested in Impact Investment but not sure where to start? Then join us for a **1-week Impact Investor BOOT CAMP** in Kenya to:

- visit existing investments to see success in action
- meet up-and-coming entrepreneurs at our Business Growth workshop
- participate in a pitch event to help select best new candidates
- take part in initial due diligence efforts with our local team

More Information

This trip is open to all Christians wishing to learn more about Impact Investment to make a difference for the Kingdom.

BOOT CAMP involves hands-on selection & due diligence process of companies seeking \$30-50k. Your BOOT CAMP experience gives you overview and introductions to our on-the-ground teams for later investments up to \$500k.

BOOT CAMP is 100% in English and provided in conjunction with our Impact Investment partners.

COSTS

There are 2 ways to join:
as a full investor participant;
or as sponsored business lead.

In either case, we arrange all local costs: meals, accommodation & local transport; you arrange your own flight(s) to Kenya.

CBA is self-funded; all contributions are invested in local impact opportunities as selected by BOOT CAMP participants.

Impact Investor BOOT CAMP 2027

MISSION of CBA / About CBA

The Christian Business Angels (CBA) helps local entrepreneurs grow businesses in their country by providing financing plus business coaching. By doing so, we seek to create meaningful and sustainable employment, while growing businesses that honor God and set the example for others to follow.

PURPOSE of Trip

The purpose of the BOOT CAMP is both to give Impact Investors a hands-on experience of the Impact Investment process, and also to complete 1-2 smaller (\$30-50k) Impact Investments, as selected by BOOT CAMP participants.

Fee Details

Per-person contribution is \$5000; spouse or partner in same room additional \$2000. Contribution can be donation from self or own business; or funds can be raised through our sponsor program.
